

2026 Capability Statement

Pacific Commercial Group Pty Ltd, Mid North Coast | Sydney | Byron Bay

Phone: 0413 149 987 Email: admin@pacificcommercial.net Website: pacificcommercial.com.au

Pacific Commercial Group a new commercial construction and project management company based on the East Coast. We specialize in delivering quality building work in sensitive, live environments such as aged care faculties, Commercial fit outs and other occupied commercial sites.

With more than 20 years of experience in construction and project management, we focus on doing things properly, the right way. Strong emphasis on safety, with minimal disruption to residents and staff, and achieving great outcomes for everyone involved. Pacific is the new generation in the building industry, making complex projects simpler and stress free for our clients.

What We Do

- Commercial Construction Refurbishments
- Commercial Fit Outs
- Age Care Facilities
- Insurance repairs and restoration work
- Civil & Concreting Works

Why Work with Us

We are known for working carefully in busy environments where business as usual must continue. Safety is non-negotiable, and we pride ourselves on clear communication and working collaboratively with clients and their teams.

Our team is committed to delivering reliable, high-quality work every time.

Our Approach

We believe in taking care of people and property, keeping things straightforward, and building trust through honest service. Whether it's a small upgrade or a larger project, we focus on getting it right with as little fuss as possible.

Experience

With over 20 years in the industry, we have delivered numerous successful projects in challenging occupied environments across New South Wales. We are fully licensed, insured and compliant with all current NSW requirements, including 20m Public liability insurance.

Let's Work Together

Pacific Commercial Group Pty Ltd is ready and available for projects with Builders, aged care providers and commercial clients across the East Coast. We would welcome the chance to discuss how we can support your next project.
